Contract Is Awarded For Race Track

Real Estate Sales Spurt And Prices Advance Since Permit Was Issued

A spurt in real estate activity and increased values are credited to the selection of Arcadia as the location for the track of the Los Angeles Turf Club. Half a dozen properties changed hands last week and prices are advancing.

Concrete evidence pointing to the eventual opening of the Santa Anita course was furnished Tuesday as the contract for construction of an \$800,000 racing plant was granted to Lindgren & Swinerton, Los Angeles builders.

The contract calls for the entire structure, including grandstand, stables, clubhouse and administration buildings, to be completed no later than December 15, 1934. Within 30 days landscaping and grading crews will start work, according to Hal Roach, president, and Charles H. Strub, general manager of the Turf Club.

Architectural plans are being drawn up by Gordon Kaufmann, noted architect who has been appointed as chief designer. Plans call for grandstand seating capacity of 15,000 persons, and stable accommodations for 1500 horses.

According to the permit granted the club, its season is scheduled for a 55-day period, commencing January 3, 1935.

Hollywood Atmosphere Invades City

Movie Company Picks Home On Esperanza Street For Film Background

Some sunny day somebody is going to write a movie scenario concerning the small town reaction to a Hollywood motion picture company on location on Main street . . . and the inhabitants of Main street are going to see that scenario in its screen form, and cluck their tongues that anyone could possibly concoct such misrepresentative material. The inhabitants of Main street will leave the theatre with a feeling of superiority to those fictional small-towners who moved so oddly across the shadow screen.

Last week Paramount pictures came to Sierra Madre, choosing the M. A. Cops' house at 73 Esperanza as a background for a few shots, because the combined atmosphere of the house, the clear sunny weather and the natural beauty of the hill country was suitable for the W. C. Fields comedy they are shooting. They brought sound trucks, busses full of actors, huge kliegs, everything— everything but a mob scene and dogs.

Sierra Madre furnished both, with gusto.

Saturday night the ordinarily quiet and dark village road was transformed into a sort of miniature Hollywood boulevard.

The film star W. C. Fields was supported by Buster Crabbe, Adrienne Ames and Joan Marsh. Erle Kenton did the directing.

Crown City Wants Help To Get Short Boulevard Into LA

Pasadena's officials and its realty board are asking the support of Sierra Madre and other nearby cities to join with it in securing a new short route connecting Pasadena with Los Angeles to be known as "Pasadena Boulevard."

The realty board has submitted the proposed route to Crown City officials and engineers of the county planning commission and in outlining the realty board's program for 1934 J. C. W. Hinshaw, its president, said all had received the proposed route "with genuine enthusiasm." It was however, not made public.

"It is hoped and believed that our sister cities will cooperate in this plan as it is to their mutual benefit to have this highway," Mr. Hinshaw said. "Along with this plan, we anticipate that this highway, when, as, and if completed, will be called 'Pasadena Boulevard,' and by that name it will be easy to direct persons to this community."

"Our community can only expand along the desired lines by virtue of adequate vehicular transportation."

Parent Education Classes Started By Local P. T. A.

Mrs. Walter C. Stephens of Pasadena will conduct a series of parent education classes under auspices of the Sierra Madre P.T.A. beginning next Tuesday morning, February 6th, in the library of the public school building and continuing for six consecutive Tuesdays.

Mrs. Stephens has had several years of experience in this sort of work for study groups in and around Pasadena. Her first lecture will take up the "Aims and Objectives of Parent Education," stressing the question, "What May Parents Gain Through Group Study of Child Growth?"

A formal talk will follow and then several specific topics will be mentioned which may be voted upon for further and more detailed discussion.

This is the second series of classes of like nature to be conducted this year, according to Mrs. Al S. Myers, chairman of the Parent Education Committee of the local P.T.A. All mothers are urged to take advantage of this unusually fine opportunity.

Local Scouts Win Awards For Service

Troops Plan To Answer President's Mobilization Call February 10

At the Court of Honor for the Sierra Madre Boy Scout Troops Monday evening, several local scouts received hard-earned awards of merit and honorary insignia in the presence of a good sized audience of parents and scouting friends in the school auditorium. Local Scout Commissioner Arthur T. Evans presented the awards to both local troops.

Henry B. Neutzel was given his Star Scout insignia, while John Bristow was awarded his First Class badge. Second Class Scouts recognized officially were Claude Allen, Hial Haft, Richard Reel and Thomas Solury.

Merit Badges went to John Bristow, swimming; Charles Collins, Jr., swimming; Gale L. Hersey, woodwork; and Henry Neutzel, swimming. Edwin Evans received his Tenderfoot emblem.

Announcement was made of the Scout Mobilization to be held in this city, as well as in all other communities of the Pasadena-San Gabriel Valley Council Saturday, February 10th.

Both troops will at 8:15 in the morning, listen as a group to President Roosevelt's radio address to them, and make special plans to carry out whatever specific civic service is requested by the President at that time.

Government Checks CWA Registrants In Regular Jobs

Failure on the part of local CWA registrants to contact the National Reemployment Service office in the City Hall here once every two weeks in the event that they have not received work orders, will cause their applications already filed to become inactive.

In order to keep local records up to the minute and accurate, government instructions received yesterday oblige officials here to be informed as to name, address, and whether applicant is still available for work placement under classification in which he is registered. The apparent purpose is to keep tab on the number of men who have been absorbed into industry and the number who have been helped.

Pupils Of St. Rita's Offer 3 Numbers At Americanism Meet

St. Rita's school will have three presentations at the Americanism meeting in the Sierra Madre Grammar School February 5. In the sketch, "Making the Flag," will be Kathleen McLellan, Virginia Lorenzini, Barbara Colligan, William Cleveland and Richard Hollingsworth.

"Color Guard," a recitation, will include Billie Rose Christensen, Mary Christensen, Lauretta Delvecchi, Sylvia Colbert, Julia O'Grady, Jane Colbert and Jessie Rosa.

Taking part in the song, "Comrades," will be Ralph Cleveland, Phillip Dillon, Arthur Schiltz, Donald Miller, William McDonald and Leonard Mishima.

Legion Head Speaks Here Monday Nite

Many Organizations Join In Program Of Americanism Meeting

By Minnie Stinman

Homer Chaillaux, State Commander to the American Legion, is to be the guest of honor and chief speaker at the big Ameri-

can Legion meeting at the Sierra Madre school auditorium Monday night.

Sponsored by the American Legion and Auxiliary, practically every one of the city's civic spirited organizations will cooperate in presenting a patriotic program that should entertain the large number of the public expected to attend.

"Americanism and the Public Schools Program" will be the subject of the Commander's talk.

A native of Indiana, Chaillaux served in the U.S. Army, was wounded in action, and has been a California Legionnaire for four years. He has in the past served as commander of his own post, number 118, in Inglewood, and was chairman of the California Americanism Commission in 1933.

He was elected State Commander at the recent state convention in Pasadena, and since that time has taken an especial interest in the Legion's program for the disabled and in Boy Scout and public school activities of the organization.

On the program will appear Cricket Caukin and her "Hotsy Totsy" revue, a large chorus of singers, band music, and a special Boy Scout act. Colonel H. B. Hersey is to act as master of ceremonies.

St. Rita's school will be on the program with its usual good entertainment feature, a short play, or skit, and a song. Those who have heard them sing will be glad to know that we will hear them sing on this occasion.

The Boy Scouts will take an active part. Everyone who can possibly come is cordially invited to be present to hear this inspiring Americanism program. It belongs to all of us, old and young, who own allegiance to the United States of America. We are apt to take our country too much for granted. It is good thing for all of us to get together and pay respect to our flag, and the republic for which it stands, and to come to a better understanding of what the term "Americanism" means.

Reciprocity Day To Be Observed At Woman's Club

Forum Sessions To Discuss Utilities

The Sierra Madre Forum will meet next Tuesday evening at 7:30 o'clock at the City Hall with Mrs. John H. Robertson, presiding. Dr. John E. Woehler will conclude the review of "Money, Credit and Debt." Wilson, and the subject of "California's Utilities" will be presented by E. M. Schofield.

Leaders Of Womans Clubs Coming Here For Next Meeting

Mrs. Robert J. Burdett, past president of the National Federation of Women's Clubs, and honorary member of the local Woman's Club, and Mrs. Charles H. McKelvey, vice-president of State Federation, are to be guests next Wednesday, Reciprocity Day, at the Women's Club.

Honors For Local Pupils At Wilson Junior High School

Various honors have been received by Sierra Madre boys and girls in Pasadena in the past term as is attested by the number of awards gained by them recently. Janet Hapgood was elected by the Wilson student body as Commissioner of Girls' Welfare for that school in 1934. Warren Preston was one of the three Senior youths winning three athletic letters at the same institution, while Kendall Heasley and Shizuo Kunihiro both won one letter apiece there in the four years they attended.

Among the pupils of Wilson to receive special letters for their skill in football play were Herbert Lacey, Warren Preston, Mitsuo Kunihiro, Robert Coit, George McRoberts, Ralph Penn, Shizuo Kunihiro, and Kendall Heasley.

The basketball letterman include Ronald Pulling and Warren Preston.

Three local girls receiving athletic awards were Toshiko Aisawa, Jacqueline Reedy and Mary Penn.

Kiwanis Plan Of Child Aid Is Applauded

If society is to progress in the future, the underprivileged child of today must be aided and the city slum areas done away with, said Dr. W. T. Gilliland, Los Angeles Plaza Community Center superintendent, at the Kiwanis Club meeting here Tuesday noon.

Speaking from a wide experience in welfare and child educational work, Dr. Gilliland said that the hopeless outlook afforded by countless poverty stricken people herded together in slums resulted in general immorality and juvenile delinquency.

On the other hand he cited cases where children of many different races were given a helping hand and as a result grew into noted men. That surroundings are largely responsible for the trend taken by the youthful mind is proved by the fact that in the past police reports have shown that the largest percentage of delinquencies in Los Angeles occurred among children living in the Sixth and Gladys street district.

As a result of the work accomplished by the speaker's city organization, the particular neighborhood has been cleaned up with splendid results for the children living there, he stated. The Plaza Center maintains a clinic with a large staff of competent doctors who specialize in ministering to the children of the section.

Trained men are in charge of cultural as well as physical educational activities. Many of the men now assisting in the good work of the institution were themselves once aided by it, Dr. Gilliland said.

Announcement was made by William Middough, club president, of the Kiwanis' district meeting in Monrovia February 15, at which date there will be no regular luncheon meeting here.

Dr. M. H. A. Peterson made a brief report on the progress of the Kiwanis educational program, and distributed a booklet entitled "Kiwanis in Brief." A short talk on the California-Nevada district convention in Santa Cruz was given by Jack Hosford.

The Sierra Madre Forum will meet next Tuesday evening at 7:30 o'clock at the City Hall with Mrs. John H. Robertson, presiding. Dr. John E. Woehler will conclude the review of "Money, Credit and Debt." Wilson, and the subject of "California's Utilities" will be presented by E. M. Schofield.

Leaders Of Womans Clubs Coming Here For Next Meeting

Mrs. Robert J. Burdett, past president of the National Federation of Women's Clubs, and honorary member of the local Woman's Club, and Mrs. Charles H. McKelvey, vice-president of State Federation, are to be guests next Wednesday, Reciprocity Day, at the Women's Club.

Taking part in the song, "Comrades," will be Ralph Cleveland, Phillip Dillon, Arthur Schiltz, Donald Miller, William McDonald and Leonard Mishima.

Art League Plays Host At Reception

Public To Meet Leland Curtis Whose Work Is Shown At The Little Gallery

Why can't one who is an artist with brush and palette be an artist with words as well?

Not necessarily an essayist or writer of epic poems, but enough of a verbal poet to do justice to his own creations in imaginative titling. It is possible, as Henry Ivins Hawkhurst has shown in his "A Fool There Was"—a satirical painting of a little jester figuring wooing the Venus de Milo with glass jewelry.

All of which is no more than a preface that occurs to us as we view Leland Curtis' current exhibition of oils at the Sierra Madre Little Gallery which opens with a reception this evening. This artist, nationally known for his California mountain scenes, lives in Los Angeles, recently had the same canvases that are now here exhibited at the Palace of Fine Arts in San Francisco. The lot includes, beside the Sierra Nevada landscapes, several seascapes, two still lifes and a portrait. The latter are tame, lacking in interest, in comparison with the high mountain pictures, most of which should appeal to any nature lover familiar with the northern state territory—regardless of the fine points of artistic merit.

Possibly the poorest titled painting of all is "California Mountain." It is a canvas containing the essence of a brooding storm in the high peaks, with foreboding clouds swirling about snow capped crags; the painting so suggests Wagner's "Ride of the Valkyries" that such a title seems to us immeasurably better than the colorless one being used.

While the rest are conventional in treatment—except for a more or less unusual predominance of

New Social Order In US Has Arrived

Dr. Brooks Wins Applause By Observations On Changed Conditions

With the sustained interest which has marked the entire series of Dr. Brook's lectures on "The New World," a large gathering assembled in the Social Hall of the Congregational Church on Friday evening to hear the final discourse. The topic was "The Foundations of the New Civilization."

With characteristic perspective and analytical power, the speaker emphasized the spiritual aspects toward which we seem to be moving. He particularly stressed the more inclusive aspects of our civilization—wider distribution of wealth, more universal education, a broader spirit of good-will and a more democratic participation in all the problems and results of our common life.

The question period which followed was especially fruitful and was greatly enjoyed. Dr. Brooks made it plain that he believed that natural resources should be used for the general good, not for private exploitation, that religion has an important place as the major motive in the transformation under way, and that we have in America already crossed the threshold into a more socialized order of things. The audience greeted his words with ringing applause.

The ladies of the church served one of their famous dinners to about a hundred guests before the lecture. At the guest table was a company of young people of the church who had been with Dr. Brooks at the Big Pines Conference last summer. They enlivened the evening with songs and stories reminiscent of the camp-life at Big Pines. Mrs. Fred Hooker Jones also spoke in her bright and enthusiastic way, on plans being made by the special committee to promote the Easter Offering for the church debt. The goal adopted by the church for this purpose is \$1000 to be secured by voluntary offerings. No personal solicitations will be made, but all are urged to cooperate as they may be able, bringing their gifts or sending them on Easter Day.

The practically unbroken season of summer-like weather has so speeded the development of the tendrils on Sierra Madre's famous Wistaria vine that it is possible this year's Wistaria Fete will be one of the earliest on record—that is unless a sudden cold spell retards the swelling up of the sap as it did last season. Up until now there have been no frosts, and few cold nights. This fact coupled with the extremely beneficial rains has resulted in early indications of bloom for it will be a matter of little time for the buds to actually form, unless a really cold snap comes along.

*He that despiseth his neighbor sinneth.—Prov. 14:21.
Look thou with pity on a brother's fall,
But dwell not with stern anger on his fault;
The grace of God alone holds thee, holds all;
Were that withdrawn, thou too wouldest swerve and halt.*
J. Edmeston

CZAR-LIKE POWER

The Republicans call it a gag rule—the Democrats, for the most part, simply smile and say nothing. Whatever it is, the Roosevelt Parliamentary technique works.

A major test of Presidential power came early in the House when Democratic leaders adopted a rule of procedure whereby no amendment could be offered from the floor which would affect the economy sections of the Independent Offices Bill, then under consideration, or any other appropriations measure that would appear during the session. The rule was unprecedented—and it passed. There were heavy Democratic defections, which resulted in Democratic leaders working over the mavericks in their party. Result of that was that a move to recommit the rule was slaughtered 24 to 141.

Most dramatic victory came on January 20, when the Roosevelt dollar devaluation bill swept through the House by the colossal margin of 360 to 40. It is doubtful if any piece of legislation of comparable importance ever carried so fast. Debate was almost entirely shut off. All opposition amendments were shouted down. Dozens of representatives who admit they do not understand the present dollar policy thoroughly, voted for it.

The measure has four specific phases. First, the treasury is given title to all of the Nation's monetary gold stock, including that held by federal reserve banks.

Second, it fixes 60 per cent of the dollar's present gold content as the maximum of gold value after revaluation.

Third, it gives the Administration a fund of \$2,000,000,000 obtained automatically from the added value of the treasury's gold after devaluation has taken place, with which to stabilize the foreign value of the dollar.

Fourth, it gives the treasury greater power in issuing and floating government securities, thus simplifying the great refinancing task that confronts the federal government now. The treasury is allowed to purchase any type of government security with any other type, and may sell issues privately without offering them to the general public.

Main opposition to the bill is based on the fear of putting so vast a power in one man's hands—it obviously makes Mr. Roosevelt a monetary dictator with hardly a restriction. Supporters of the New Deal claim that is what the country wants; that it is essential to recovery that the President be given free rein.

Everything should be all right in Washington if the brain trust doesn't fall victim to the brain rust.

Celebrate Founding Of C E Societies

Organization Plans Many Events Here To Observe It's 46th Birthday

CHRISTIAN ENDEAVOR was founded in Sierra Madre 46 years ago, in 1888, seven years after the first society was organized by "Father" Clark in the Congregational church in Williston, Maine. Since that time, with the Congregational and Bethany churches, C. E. has been cared for continuously.

Many of the original officers and members are still living in this community. Rudolph Hartman was once president. At another time Roy Edwards was treasurer. Convers Twycross held another office, as did Mr. and Mrs. F. D. Roote. R. S. Jensen was a member during its early years.

To celebrate the anniversary an attempt will be made to round together many of these old-timers and there has been planned an extensive program for the following week. Sunday, February 4, is International Christian Endeavor Day, to commemorate the 53rd anniversary of the Y.P.S.C.E., and a special service in conjunction with the regular consecration service will be held at Bethany church with Sam Hohri leading in the Young People's group. Sam Bever leads the Junior High society.

Monday night, under the leadership of Roy Edwards, Jr., missionary director, the societies will go to Pasadena for the monthly mission meeting. The president's and treasurer's banquet will find some of the members at the Lake Avenue Congregational church in Pasadena. Wednesday night, the young people are in charge of the weekly mid-week prayer-meeting.

Thursday night is left open but Friday finds the opening of the Los Angeles County Union's Institute, with a party which is to be held under the direction of the county social chairman.

Saturday night, all Christian Endeavors of this and former days or those interested in their activities will convene in the Masonic Temple here at 6:30 for a banquet. There will be a recognition of the older members, special musical features, and a speaker on "Christian Endeavor and its place in the Church."

Sunday has the opening session in the afternoon, followed by a conference period led by county leaders, a fellowship hour in charge of the local entertainment committee. Then the county union officers will lead three groups of Christian Endeavor, the Young People, Intermediate and Juniors at the regular C. E. time. The evening service of Bethany church will be given over to the Institute with their leaders in charge and a speaker on the subject "For Christ and the Church."

ABOUT WOMEN

Agnes MacPhail, the only woman in the Canadian House of Commons, has held a seat in the Ottawa Parliament since 1921

Succeeding to the post held by her husband, who died recently, Mrs. Mary McGuire has been sworn in as city commissioner of Passaic, N.J.

Mrs. Gloria Craig of Salem Ind., who claims to be the only woman submarine painter in the world, has invented a special process which enables her to make colored paintings of sub-ocean scenes while she is under water.

Grace Abbott, chief of the U.S. Children's Bureau, is the guiding spirit of the national child health-recovery program.

Malvina Hoffman, noted American sculptress, who recently returned from abroad, has completed 90 of the 100 figures of primitive human types which she is modeling for the Field Museum in Chicago.

We can furnish at all times any grade or quality of lumber you may desire.

BOYS AND GIRLS

Josephine Flaniken, of Vernon, Texas, has won the distinction of "beauty queen" twice at West Texas State Teachers College, Canyon, Tex.

Elmo Lomachutzko, an Indian boy from Sherman, Calif., recently won the Southern California prep A.A.U. cross-country run over a course of two miles.

Robert Wilmarth, 15, of Belmont, Mass., has annexed nearly every junior championship in the United States. In his latest competition he qualified as an expert in the junior division of the National Rifle Association.

Nellie Wilkinson, Winnipeg school girl, won a 6-mile motor-boat race and a handsome trophy against a field of male competitors.

John Turpie, 15-year-old Boy Scout of Westminster, Eng., is hiking across Canada carrying a message from the mayor of his town to the mayor of New Westminster, B.C.

Anson Athern, 5, of Rockland, Me., saved himself by his presence of mind when struck by an automobile, clinging to the bumper until the car was stopped.

TIP FOR THE WINDY

The story of the Creation is told in 800 words. Lincoln's Gettysburg address was 267 words long. The Lord's Prayer uses 70 words.—Covina Citizen.

WOMAN NEEDS HELP

Remember this: A woman can't make a fool out of a man unless she has cooperation.—Claremont Courier.

OBITUARY

W. W. Pope

W. W. Pope passed away suddenly at his home, 686 Brookside Lane, early Wednesday morning. He returned from his work in Los Angeles early Tuesday evening and retired at his usual time apparently in good health and in the best of spirits. He was stricken during the night.

Mr. Pope was born in Anniston, Alabama, 43 years ago and had been a resident of California for the past 14 years, living in Sierra Madre during the last three years. He was employed as foreign clerk for the Southern Pacific Railroad. Surviving is his wife, Mrs. Emily A. Pope. Funeral arrangements have not been completed.

Sunday has the opening session in the afternoon, followed by a conference period led by county leaders, a fellowship hour in charge of the local entertainment committee. Then the county union officers will lead three groups of Christian Endeavor, the Young People, Intermediate and Juniors at the regular C. E. time. The evening service of Bethany church will be given over to the Institute with their leaders in charge and a speaker on the subject "For Christ and the Church."

Sunday has the opening session in the afternoon, followed by a conference period led by county leaders, a fellowship hour in charge of the local entertainment committee. Then the county union officers will lead three groups of Christian Endeavor, the Young People, Intermediate and Juniors at the regular C. E. time. The evening service of Bethany church will be given over to the Institute with their leaders in charge and a speaker on the subject "For Christ and the Church."

Saturday night, all Christian Endeavors of this and former days or those interested in their activities will convene in the Masonic Temple here at 6:30 for a banquet. There will be a recognition of the older members, special musical features, and a speaker on "Christian Endeavor and its place in the Church."

'Stargazers' Has A Really Clever Plot

Song Hits, Original Dances And A Fashion Show Are Built Around It

"Stargazers," the Sierra Madre Junior League's musical comedy now in rehearsal, opens at the Woman's Clubhouse a week from tonight, playing Friday and Saturday, February 9 and 10 with the curtain rising at 8:15 both nights.

Differing from last year's very successful production, "Hey Diddle Diddle," in that it boasts of a clever plot, the show's book is by Bertha M. Price, with music by Grace Cooley. All of the original dance numbers are created and directed by Miss Cricket Caukin, who also directs the musical portions. Doug Williams, assisted by Gilbert Sommer, is in charge of book direction.

A number of original song hits, presented publicly for the first time, are sure to be entertaining. Mary Davis, who has the romantic lead, sings the evenings' loveliest waltz melody, entitled "My Star," while the comedy leads played by Mary Schmidt and Dan Parker, provide humor with "Dishpan Blues" and "Love at First Sight."

Louise and Billy, the "kids," portrayed by Miss Caukin and Carroll Cooper, sing "No One

Tooth Templars Of County Will Hold Convention Here

The Sierra Madre Public school auditorium will be the scene of the annual Tooth Templar county convention March 17, it was announced this week. Last year the local school children won special mention for the outstanding exposition on the care of the teeth which they presented in the form of an operetta.

Knows I'm Closer," and do several intricate and amusing dance routines together.

One of the features of the show, from the standpoint of the women in the audience, is the fashion show incorporated in a number called "As You Stroll Along." Beautiful and modern gowns, loaned by a smart designer, are worn by the chorus as they dance and sing.

As a special added feature, during the intermission, coffee, cigarettes, cookies and candy will be served free of charge, through the courtesy of Roberts Market, Cy Young, Middough's Drug Company, Rikemann's, the Wistaria Bakery and Solury's.

Proceeds from the show are to go toward the Junior League's charity work and its scholarship fund. Tickets are now on sale at Middough's as well as by the girls of the League.

Modern intelligence and the spirit of enterprise constitute the main forces that create town progress.

Art League Plays Host At Reception

(Continued from Page One)

blue-greens—"Where Silence Dwells" is modern, hardly describable in run-of-the-mill sentence limitation. Very smooth of line, with delicately shaded sky fading into a cold light near the mountain sky-line, the scene flows over the canvas, almost so-purific in effect.

"In the Grip of Winter" hardly suggests the clearness with which Mr. Curtis has portrayed a snow scene, with ice reflecting glaring sunlight, and the whole scene one that you might stumble on unexpectedly after a sudden turn in the trail while hiking in the backcountry of the Inyo valley.

"Where Shadows Play" sounds like the name of a popular song, but don't be deceived—it's a delightful bit of meadowland such as is found amid the tall pinnacles of the Sierra, with the shadows of summer storm clouds overhead.

A still-life with humor . . . unusual . . . is "Bonzo and the Crockery;" a still-life without humor is a study of Mexican crockery. "Nature's Mirror" pictures nicely the rainbow reflections seen in one of the deep lakes of the high country. Other more idealized scenes, of quiet spots, and seashores, appear dull after the vigor with which the artists attacks what is apparently his most all-absorbing subject.

Tonight a public reception, officially opening the exhibit at the City Hall is to be held. The Municipal Art League will act as host, with Mrs. Alfred James Dewey chairman of the reception committee of the organization. Everyone is cordially invited.

Modern intelligence and the spirit of enterprise constitute the main forces that create town progress.

Safeway Puts On Huge Canned Foods Sale This Weekend

Presenting to Southern California housewives the opportunity to share in advantageous purchases made before the recent rising trend in prices, Safeway and Piggly Wiggly stores are conducting a mammoth canned foods sale this weekend in all Southern California stores.

To assist the homemakers in making full selections of their needs, the meat department is also featuring a full line of fresh and smoked meats at money saving prices, along with values being offered in the produce departments owned and operated by Safeway and Piggly Wiggly.

That these values cannot be duplicated in the future, due to rising costs, is the opinion expressed by the manufacturers and producers from whom Safeway and Piggly Wiggly made the purchases for this canned foods event.

THATCHER FAILS IN EFFORT TO SECURE AN ANTI-PICKET LAW

Though the County Board of Supervisors by a three to two vote last week declined to order the drafting of an anti-picketing ordinance Supervisor Hugh Thatcher of the First District, sponsor of the proposed measure, remained steadfast in his belief that its adoption would halt labor disturbances in the agricultural areas of Los Angeles County.

After an all morning session during which proponents and opponents of the ordinance were heard, Supervisor Thatcher offered a motion seeking to have the county counsel prepare a measure patterned after the Los Angeles City and neighboring county anti-picketing laws, embracing an emergency clause to expedite its passage and early effectiveness.

On roll call Supervisor Roger W. Jessup voted with Thatcher, the motion losing by the votes of Chairman John R. Quinn, Harry M. Blaine and Gordon L. McDonough.

Speaking, he said, for the citrus interests, Thatcher warned that Los Angeles County would become the dumping ground for inciters of labor trouble unless some protective measure was invoked.

LOCAL DELEGATES AT EPISCOPAL MEETING

Two delegations representing the Sierra Madre Church of the Ascension were present at the annual convention of the Episcopal Church at St. Paul's Cathedral in Los Angeles this week.

Last night and Wednesday Dean Arnold G. Bode, Neddy Davis, Thomas Meader, Dr. W. Jarvis Barlow, Fred Vanner and Carl Pegler attended the conference. Mrs. W. Jarvis Barlow, Mrs. A. G. H. Bode, Miss Edna Green, Mrs. Carl Pegler, Miss M. L. Vanner, and Miss Daisy Hawks went to the Tuesday session.

LOCAL WOMEN WILL INTERVIEW STARS

Mrs. Gordon B. Wolfe, of 181 Vista Circle Drive, was guest of Luella Parsons, at her home in Beverly Hills, on Tuesday evening. Among the guests were Bebe Daniels, Ben Lyon and Edgar Allen Woolf, well-known playwright. Mrs. Wolfe will assist Mrs. Parsons with a series of radio interviews with movie stars over the National Broadcasting Company.

Dedicates Song To Legion Auxiliary

Mrs. H. M. Wilhelm, past president of Iowa Unit No. 71, William M. Saunders Post, American Legion, has just received word that her unit has adopted as its song, "Onward Wives and Sisters," written by Florence E. Eakman, and dedicated to Unit No. 297, Sierra Madre American Legion Auxiliary.

"We didn't re-decorate
—we just changed our lighting"

"We used to loathe this room—it was so gloomy and depressing. John thought we'd have to re-decorate, but I knew we couldn't afford it this year. Then I made a discovery... two more lamps and another convenience outlet made a new room of it. An Edison man showed us how light should be distributed. It's saved us money, of course, and it certainly helped our dispositions."

Expert advice on proper home lighting costs nothing—and may actually mean lower electric light bills. Call the Edison Company or your nearest electrical dealer.

A DOZEN GOOD ROSES
By Jessie Ward Russell
Landscape Gardener

EACH year new rose varieties are put on the market by this and that grower. Some of them become favorites and join in the ranks of standard varieties, but most of them are lost sight of in a few years.

The following dozen varieties have gone through the test of actual use in the home garden over a long period and have come to stay. A garden of these roses will give the gardener a great deal of pleasure.

Rose Marie is a rose that can be grown for cutting. It is our favorite pink rose. It has long stems with beautiful clear pink roses that resemble hot-house roses in their perfection. It blooms freely throughout the year and is sweetly perfumed.

Dame Edith Helen is a pink rose that has several outstanding features. It is a very large and double rose and is produced on long upright stems. It is very fragrant and best of all it has unusual keeping qualities, both when cut or on the bush.

We class the favorite Los Angeles rose among the pink roses although it has golden-yellow shadings through the pink. It is a California introduction and we are proud of it. It is very free blooming.

Talisman is a rose that everyone wants as soon as they see it. The coloring is so brilliant and unusual that it attracts attention at once. It is a mixture of orange and yellow in irregular proportions, so that no two flowers are marked alike. It is fragrant and the stems are long, which makes it an ideal cut flower.

President Herbert Hoover has coloring that it gorgeous and is somewhat like the Talisman—orange-yellow and cerise-pink. It is a splendid rose with very long, stiff stems. The bush is so vigorous, it will outgrow any bush in the rose garden.

Father Joseph Looymans is another favorite rose in the orange or apricot class. It has large, slender buds, is free blooming

and is a vigorous growing bush. Souvenir Claudius Pernet is one of the best clear sunflower yellow roses, with long stiff stems and splendid foliage.

Golden Emblem is the most popular yellow rose. Foliage is dark, glossy green and does not mildew. The buds are tinted crimson on the outside. One would think, to look at the bud when it begins to show color, that the rose was going to be red instead of yellow, but as soon as the flower opens, the red disappears and a perfect full golden-yellow rose develops that can not be surpassed for beauty.

Red Radiance is a free blooming large, light red rose. A very strong growing large bush that is free from mildew and other diseases.

Etoile de Hollande is one of the best of the deep crimson roses.

A rose that actually has no serious fault. The color does not fade and it is very fragrant.

Hadley is the most popular of the deep red roses. It is vigorous growing, free blooming, full flowers and rich in fragrance.

Hoosier Beauty is a very deep velvety, crimson rose with dark shadings. It is deliciously fragrant, and does not fade.

TWO STATES TO PICNIC

The winter Wisconsin picnic re-

union will be held all day Saturday, February 19, in Sycamore Grove Park. There will be a brief program opening about two o'clock.

The Colorado State Society announces its picnic to be held Sunday, February 11th, in Sycamore Grove Park.

RALPH SEBREE CALLED FOR SUPERIOR COURT JURY

Ralph V. Sebree, of East Central avenue, has been called for jury duty in Department 21 of the Superior Court.

When a good many of our people realize they won't prosper until their home town prospers Sierra Madre is going to be a great deal better off—and that means they must spend their money at home.

BRING PRESSURE TO BEAR ON WASHINGTON

All avocado growers of this district should immediately wire or write their Congressmen and Senators McAdoo and Johnson in Washington, urging that the Cuban Reciprocity Treaty be changed so that Cuban alligator pears will no longer be protected against the present tariff on imports, announces George B. Hodgkin, general manager of the Calavo Growers Exchange. Immediate and concentrated pressure must be brought if California growers are to be protected against the increasing invasion of American markets by the cheaply produced Cuban fruit, he adds.

Through the efforts of prominent grower-members of Calavo Growers, the Los Angeles Chamber of Commerce is bringing its influence to bear in Washington. Farm Bureaus and other organizations are also wiring officials in Washington, Mr. Hodgkin declares. This local district's grower-director of the Calavo Growers Exchange, Mr. James D. Hoffman, of Pasadena, is this week sending appeals for this district as a whole. Individual growers' appeals are also needed, however.

ORANGE GROWERS TOLD TO FUMIGATE

The season for winter red scale fumigation on oranges is rapidly drawing to a close, according to a bulletin issued by R. S. Wognum, entomologist for the California Fruit Growers Exchange.

"Orange growers who have planned to fumigate for red scale this winter and have not yet had the work done should not delay treatment any longer," said he. "The chief advantage of winter fumigation is the superiority of red scale kill because of ability to use a heavy cyanide dosage with a minimum of damage to tree or fruit. The period of greatest safety ends with the appearance of the new growth, which normally may be expected the latter part of February. Present indications are for an abnormally early season."

"The winter fumigation of lemons normally may be practiced with comparative safety one or two months later than for oranges, up to and including the months of March and April.

A man who truly loves his own home, is not going to do anything to injure or destroy his neighbor's home. Rather, he will try in every way possible to help his neighbor maintain that home.

Americanism is a constructive policy. It does not contain the elements of prejudice, race hatred, or sectional jealousy and partisanship. It looks forward to the improvement and preservation of the whole country, and if anyone is sincerely interested in that work, it should be the men who offered their lives in the service of their country. Equally interested are the women of the American Legion Auxiliary, many of whom offered their loved ones dearer to them than their own lives. Striking evidence of their interest is found in the Ninth Patriotic Women's Conference on National Defense, sponsored by the American Legion Auxiliary. This conference met in Washington, D.C., January 24, 25 and 26, 1934. It was called for the purpose of uniting all the women's patriotic societies in support of reasonable National defense. The 700 delegates represented 36 different organizations, having a total membership of 1,000,000 women. The speakers were men of the highest rank in the naval and military affairs of the Nation.

The only woman speaker was Princess Cantacuzene, National Chairman of the American Legion Auxiliary's National Defense Committee. An effort is being made to have some of the 32 new ships built on the West Coast, which would allow our coast cities to participate in the benefits of the ship-building program.

Department Poppy Chairman Andre W. Olsen, has advanced the closing date of the Poppy Essay Contest to February 15. Two prizes are offered; \$2.50 Senior and \$2.50 Junior, for the best essay on "Why I Should Wear a Red Paper Poppy on Poppy Day." Sierra Madre can, and should, have several essays, both Senior and Junior, in this contest. Send essays to Mrs. Andre W. Olsen, 2475 Glendower Place, Hollywood.

Women patients in San Fernando are also permitted to make poppies. These are the war-nurses who were gassed and who, since the war, have been cared for in the government hospitals.

So when we buy our poppies next May, we may be helping some brave war-nurse earn a much-needed pittance.

ESTABLISH RECORD FOR RETREATANTS

By Minnie Stinman

IN ANOTHER column will be found the program of the Americanism meeting, February 5. It is peculiarly fitting that this event should be held in February, the month dedicated to Americanism and National Defense in our yearly program, and the month in which we celebrate the birthdays of two of our greatest and best-loved Americans. There is nothing inconsistent between a 100 per cent Americanism and our ideals of world-peace and world-friendship.

Being intensely patriotic, loving and honoring our country in the right way, should inculcate greater respect for the rights of other nations, and a greater degree of friendly feeling for all other people of the earth.

A man who truly loves his own home, is not going to do anything to injure or destroy his neighbor's home. Rather, he will try in every way possible to help his neighbor maintain that home.

Children To Stage Play Here Tonite

"Attic Secrets," a play presented by the Children's Dramatic Guild of Sierra Madre, will be one of the entertaining features of the Young People's Society's Ice Cream Social to be held at the Congregational Church this evening at 7:45 o'clock.

The program will be dance numbers by pupils of the Cricket Caukin studio, a cornet solo by Don Blanck and piano selections by Cynthia Hull and Moreland Kortkamp. Marian Daily, social chairman of the society, is in general charge of the affair, while Elizabeth Morgridge and Cynthia Hull arranged the entertainment. Marjorie Ashmore, Randolph Twycross and Howard Morgridge are on the decoration committee and Werner Marti and Dorothy Walsworth drew the posters and handled the publicity. Refreshments of ice cream and cake are in charge of Ruth Wheeling and Jane Manning.

The cast of the play, which was written and directed by Florence Eakman, is as follows: Grannie, Florence Eakman; Betty, Marguerite Adwell; Bobby, Idella Taylor; Molly, Marilyn Pian; Penelope, Mary Lou Lovejoy; Minuet dancers, Shirley Shapiro; June Solnit, Marilyn Middough and Louise Rothman; Penelope in her teens, Grace Jensen; John in his teens, Norma Hogan; King of Hearts, Anna Sue Adwell; Queen of Hearts, Nancy Reel; Cupid, Anita Reel.

Stage setting are by Mrs. Fred Hooker Jones, costumes by Mrs. William Adwell, and wardrobe by Mrs. Bert Pulling and Mrs. Herbert Reel.

Two Weeks Of Grace Given Motorists To Get New Plates

An extra two weeks of grace has been extended to motorists to secure their 1934 automobile license plates, according to G. M. Walker, manager of the Pasadena branch of the State motor vehicle division.

February 14 is the new date set for delinquency, and after that time the fee will be doubled. Formerly, February 1 was the deadline. Russell Bevan, State registrar, on an inspection tour of this region, said that the general rush for plates did not compare with that of last year and that there were still hundreds of thousands of Californians who have not yet made applications. In the city of Pasadena alone the license distribution, strangely enough, exceeded last January by 10 percent.

Put your new license plates on your car as soon as you get them is the request made by Bevan.

LOCAL RACING CAR WINS ASCOT PRIZE

Sunday Al Belohlavek's racing car, Atlas Special Number 57, was awarded the Ascot track 1933 year pit prize in recognition of the fact that it was the best looking racer competing on that track during the season.

Aside from possessing a car that is nice to look at, Belohlavek has faired uniformly well in the past weeks in racing competition in his first try at "big-time" racing circles. Sunday he came in third in the five-lap class A preliminary heat, and won second place in the class B main event. During the last several months he was ended in the money a number of times.

Local Sport Paragraphs

THE Chicago Bears seem to set up a twenty point margin as their safe win standard. If Southern California's Ernie Pinckert has hopes of coming back to show the Easterners their proper place in the sun, his team will need a season or two practice as a unit. There's no reason why our section can't put out a pro team that will be as comparatively successful as the "amateur" Trojans, Bears and Indians' Big Three.

A pug by name of Bucco went to a wedding in New York recently, woke up in a hospital with four bullets distributed in his neck and jaw. Surprised, he commented, "Just a part of the celebration."

No less than a hundred thousand bucks is the bait the promoters of the Santa Anita track hold forth to secure big entries. Sounds swell. We could get enthused to riding a hoss ourselves with that much lucre teasing us. Nothing will be convincing about racing here, tho, until the first meet is actually scheduled. There's been so many changes in the promoting angle that we half suspect that The Times boy who took over the publicity work is wishing he was back on his newspaper sports desk with a weekly pay envelope.

Speaking of horses. Have you noticed, of nights, the "usual" Calif. weather? From our long experience as an old ringmaster and riding academy expert we can imagine no more perfect setting for horseback riding than the Sierra Madre hill country, of such nights.

Pardon, please while we get sentimental. Strike up the soft music, maestro.

When there're a few clouds in the sky, and quite a full moon, it gives a kind of cozy atmosphere to things—like you're in a darn big amphitheatre, with infinite candleabra. That maybe don't sound very cosy, but we mean in comparison with those stark clear nights, moonless. Lowlanders can't notice that sort of thing. Takes somebody who loves the hills, and is used to the rarified air of high places.

Speaking of horses? We started to. Our intentions were good. We even started to ride, but we got tangled up in clouds and whatnot, and got a bit bridled. And it's no cinch, riding in the rein.

Just a personal touch: Dan Parker's new alpinstock, the latest thing in mountain climbing paraphernalia . Louis (tennis) Fuller's newest acquisition is

VINES IMPRESSES LOCAL TENNIS FANS

Declaring themselves amazed at the improvement in Ellsworth Vines' game of tennis in comparison with his amateur play of last season, a group of Sierra Madre court fans attended the Pasadena match between the California youth and Big Bill Tilden Tuesday night.

Emile Smith, head of the local Tennis Association, Jack Butler, Bud Selick, and Louis Fuller were among those from here to attend.

MASONS PLAN DINNER OF PANCAKES AND SAUSAGE

The Masons are planning a pancake and sausage dinner and a dance and card party for February 24 at the Masonic Temple. Complete arrangements will be announced later.

ments was the aged Daschund who stayed away for political reasons. (Catch, catch?)

Tennis, far from a modern game, derived its name from the fact that it originated long years ago in the city of Tenis, Egypt.

Hasta la vista.

POTPOURRI

Why the Yawn

A certain amount of oxygen is needed in our blood. If, through faulty ventilation, or because of bodily disorders, we are not taking sufficient oxygen from the air through our breathing process, nature provides a safety valve—the yawn. This sudden rush of air temporarily meets the requirements of the blood. The impulse for the yawn originates in the brain.

© 1933, Western Newspaper Union.

DETAILS REQUIRED IN LOAN MORTGAGES

Full details of mortgage indebtedness and a complete legal description of the property involved must be included in submitting the new form applications for loans from the Home Owners' Loan Corporation, according to word received by State Manager Monroe Butler from Washington this week.

Also, loan applications must furnish tax and assessment statements, and give exact amount of original mortgage as well as dates of first and second mortgage.

WHEN troubled as to what to serve for the Sunday night supper, try:

Supper Dish.
Take one cupful of grated cheese, one-half cupful of bread crumbs, one-half tablespoonful of butter, two cupfuls of milk and one egg well beaten. Melt the butter, add the milk and crumbs, and when hot add the cheese. When the cheese is melted add salt and pepper and stir in the well beaten egg. Season with a dash of cayenne and mustard and serve on toast.

Date Puff.
Beat six egg yolks and add one cupful of powdered sugar, one-half cupful of walnut meats cut up, one-half package of dates cut fine, one-half cupful of fine bread crumbs to which one teaspoonful of baking powder has been added. Mix all together and fold in the stiffly beaten egg whites. Bake in a slow oven for half an hour. Serve with whipped cream topped with a maraschino cherry.

Meat Stew.
Cut one and one-half pounds of veal or beef into small pieces. Sear well in hot suet fat. Remove the fat into a kettle and cover with boiling water. As soon as boiling begins lower the heat and cook slowly until the meat begins to get tender. Then add three potatoes, peeled and cubed, and when the potatoes are nearly done pour all into a deep oblong pan. Reserve a little of the liquid for gravy. Cover the top with sour cream biscuit, leaving spaces between for the steam to escape. Bake in a hot oven and serve with the gravy.
